ACT 148 COMPLIANCE

Beginning on July 1st 2015 new provisions of ACT 148 become effective throughout the State of Vermont. The 2015/2016 provisions require that everyone must “Pay to Throw” and that all mandated recyclables be removed from the trash disposal stream and be processed “for free”.

From 2015 through 2020 additional provisions of ACT 148 will become effective. Please refer to the timeline of subsequent events later in this document.

WHAT DOES THIS MEAN FOR THE LUDLOW TRANSFER STATION

All residents will continue to bring trash and mandated recyclables to the Transfer Station for disposal. **THERE ARE TWO SIGNIFICANT OPERATIONAL CHANGES.**

1. Mandated recyclables (see below for list) will be dealt with on a “single stream” basis as opposed to the “source separated” procedure that we use now. There will be “no charge” for recyclables.
2. Residential trash will only be accepted in “Town of Ludlow Transfer Station” logoed bags except as provided in the fee structure below in order to comply with the ACT 148 provision-“Pay to Throw.”

THE ACT 148 FEE STRUCTURE

1. All identified residents/taxpayers of the Town/Village of Ludlow will purchase a Transfer Station sticker for a primary vehicle and will receive 52 transfer station logoed bags to be used for trash disposal.
2. Additional vehicles may be included for a fee (no additional bags will be issued).
3. Additional bags may be purchased in 26 bag rolls for \$25.00.
4. Mandated Recyclables may be comingled loose and disposed of “For Free” in the designated Transfer Station container.
5. Stickered Residents with disposal anomalies may go over the scales at \$00.05/pound with a \$5.00 minimum charge.
6. Business/Commercial users will continue to use the scales for trash and C&D at \$00.07/pound. Individual certifications will be required that mandated recyclables are being disposed of in accordance with ACT 148.
7. Other disposal items will continue at the published rates and may be modified by the Ludlow Select Board.

LUDLOW TRANSFER STATION PERMIT RULES

Residential permits and Town approved colored-residential bags can be purchased inside the Municipal Office or at the Transfer Station.

Business and Commercial Permits must be purchased directly at the Transfer Station.

Please be prepared to provide your vehicle registration and verification of property ownership or a copy of your lease/rental agreement.

To obtain a permit to use the Ludlow Transfer Station you must comply with the following requirements:
