Address: 37 Main Street Ludlow Vermont, 05149

## Red Room

---

Our Red Room is a great space for meetings and small get togethers. During the summer we use the Red Room as a classroom for our campers. It has often been used for many events, such as baby showers and birthday parties.

## Indoor Basketball Court

---

Our Indoor Basketball Court is open to the public daily although we also use it for our youth sports programs. During the fall and winter months we hold pickup basketball on Wednesday nights and volleyball on Monday nights.

## Cafeteria

---

Our cafeteria is fully equipped with tables and all kitchen equipment. The space is mostly used during the school year through the Back River High School and Ludlow Elementary School for their breakfasts and lunches. The cafeteria is also opened to being rented during weekends and afternoons.
