Director's Report:

- Basketball ended with a picture day in February. Photography by Shandi Marie. All went well. Grades 3-6 had a potluck banquet with each child receiving a trophy and certificate. This was held in the cafeteria of the community center with 160 in attendance. BRACC did a small presentation afterwards.
- We are now offering more yoga programs. Starting in April there will be 5 yoga classes throughout the week with Lori and Danielle.
- Currently we are running 5 zumba classes which are well attended. Jacki Brown cancelled the Saturday at 4:00p.m. class.
- Fitness center is going well with over 25 active members. The biggest hurdle is trying to keep people out who don't belong there. We need to keep a better eye on this part of the building. People have been wandering through the building being in parts that they shouldn't be, propping open doors and windows.
- Staffing is getting easier. We have a high school student from 1:00 – 6:00pm then another HS student from 6:00 – 8:00pm.
