Director's Report

- Started Coed softball back up and it is a quick spring to the finish.
- Youth soccer sign ups are out and slowly coming in.
- The summer concert series experienced some delays, but are back on schedule.
- Ludlow emergency response was fantastic and the Recreation department was able to help out by hosing a BBQ.

New Business:

- Skatepark: The skate park received several repairs to support the concrete until mud jacking could be completed.

Mountain bike trial- There is not a lot of damage done to the trial. I believe the trails are open now.

- West Hill: The dirt around the basketball court needs to be cleaned up and allow for drainage. The beach is still there but will need to be extended.

-Dog Park at Fletcher Fields: Currently the committee is looking at all options and seeing if the Little League Field would be a good alternative. The dog park go fund me needs to be posted in more locations.

- Little League Field options
 - o Dog park
 - o Ice rink
 - o Parking with kiosk
 - o Transition into a greens space
