

LUDLOW PARKS & RECREATION MEETING MINUTES

JULY 10, 2018

Meeting Called to order 5:05

People in Attendance

Sue Pollender, Nick Miele, Leslie Boyle, Heather Tucker, Joe Gurdak, Marissa Selleck, Venissa White

Comments from Citizens

Patty Rumrill had submitted a note that she has received complaints about there being no Port-a-potty at High School for Legion and Babe Ruth games. Decision to make sign directing people to Community Center bathrooms and make sure they are open for the short time season is still going. Make sure we have one for start of soccer season/school.

Venissa White director of ASP submitted detailed packets going over some issues she and ASP were having collaborating with Rec. this year. She is planning on going to TRSU to pull ASP out of Ludlow Recreation as of next year. She is frustrated with lack of partnership and feels this year's relationship/performance is strained and lacking.

Moving forward with this issue Nick will check with Matt Mccarthy (Chester Rec. Director) to get advice on their partnership with ASP. Following that meet with Zoe, Ludlow Rec. Camp Director to make a plan to improve/change/better the rest of this year's summer camp and eventually meet with the Town Manager and Venissa. This should all be in the works this week.
