- Scott motioned to approve the minutes as printed, Jeannie 2nd the motion.

Director's Report:

- No additional information to add onto Director's report

Old Business:

Dog Park:

- The Select Board has approved of the dog park, an award letter will be going out this week to Springfield Fence. Installation of fencing to be on or before June 30th. The dog park committee will meet with Fletcher Farm to go over rules, signage. Etc and will bring back information to Rec. committee for approval.

New Business:

Fall Activities:

- Basketball practice has started up this week, approximately 25 kids have signed up, masks are required, no contact, practicing skills only. Games to be scheduled in the near future.

Bike Trail:

- Chris Hucka and Jay Rosey spoke about the potential bike trails to be built on the town's 40 acres behind the school, how advantageous it would be for the town and the residents of the community. Scott Murphy asked what the cost would be and Jay Rosey suggested that we first start with a budget and work from that point, funding and private vendors would be options. A sub-committee will be established to work out the details. Marisa asked to be on this committee.

The Better Places Grant:

- Carol Lighthall spoke on applying for the Better Places Grant which would improve the village by purchasing picnic tables, benches for additional seating in the village, we can get everyone involved by showing off your talents and being creative.... “adopt a bench”. Deadline for applying for this grant is January 22nd.

Easter:

- Nick asked for suggestions for the Easter holiday festivities, possibly a Easter Truck or Treat. Nick asked for everyone to come to the February meeting with ideas.

Rise Vermont Grant:

- Marisa talked about the Rise Vermont Grant which the independent school is applying for which will provide tennis equipment for students to learn tennis. The town tennis courts will be available to them, Nick suggested that they fill out the form that is required to reserve spots.
