The Select Board for the Town of Ludlow will hear comments from the public regarding their proposed creation of a Town of Ludlow Public Charter

1. Bruce Schmidt opened this meeting at 6:00 p.m.
2. Scott Murphy advised that this is the first of 2 public hearings to provide information to the public and receive public comments regarding the proposed creation of a Town of Ludlow Public Charter. The purpose of the charter is to provide the Select Board with the authority to warning town meeting articles by floor vote or by the Australian ballot. He said that there have been some votes from the floor where it might have been more appropriate to have Australian Ballot. This charter is a simple, single issue. He said that the Village has a charter. He added that if approved by the voters, this would be sent to the Legislature for approval. They will probably not be able to review it until next year. The second public hearing will be on the day of the Town Informational Meeting on April 4th.
3. Bruce Schmidt asked for comments from the board or public. There were none.
4. Bruce Schmidt closed the public hearing at 6:02 p.m.

Respectfully submitted,
